PART IV ADMINISTRATION

13.0- Administrative Procedure

1. The Village Administrator of the Village of Bethune shall be responsible for the administration of this bylaw.
2. Every person, before commencing any development within the municipality, shall apply to the municipal officer charged with the administration of this bylaw for a permit to carry out such development
3. Where an application for a development permit is made for a permitted use, the development officer shall issue a permit where the development is in conformity with this bylaw.
4. Where an application for a development permit is made for a discretionary use, the development officer shall present the application to the Council as soon as practicable.
5. As soon as practicable after Council is presented with the application for a development permit for a discretionary use, Council shall consider the application. Prior to making a decision on a discretionary use application, Council shall notify each owner of property within a 75 metres (246 foot) radius of the proposed development, that it is considering an application for a discretionary use, and may refer the application to whichever government agencies or interested groups as Council may consider appropriate.
6. Upon approval of a discretionary use by resolution of Council the development officer shall issue a development permit subject to any development standards prescribed by Council.
7. With every application for a development permit within the municipality, two copies of a layout or site plan showing the dimensions of the site and the size and location on the site of any development, shall be submitted for approval to the municipal officer charged with the administration of this bylaw, together with such other information as he may require for the proper enforcement of this bylaw.
8. When the application is approved, one copy of the layout or site plan shall be returned to the applicant bearing an appropriate indication that it has been approved; if the application is not approved, the layout or site plan shall be returned to the applicant with the reasons

for refusal noted thereon and the applicant shall be advised of any right to appeal that refusal to the Development Appeals Board, subject to the provisions of the Planning and Development Act, 1983.

9. No development shall commence until a permit to carry out such development has been obtained from the officer responsible for the administration of this bylaw.
10. A development permit is valid for a period of twelve months and may be extended for one or more additional twelve month periods when presented to the development officer before its date of expiry.
11. Where the development officer determines that a development is being carried out in contravention of any condition of a development permit or any provision of this Bylaw, the development officer shall suspend the development permit and notify the permit holder that the permit is no longer in force.
12. Where the Council is satisfied that a development, the permit for which has been suspended, will be carried out in conformity with the conditions of the permit and the requirements of this Bylaw the Council may reinstate the development permit and notify the permit holder that the permit is valid and in force.

14.0 Development Appeals Board

1. Council shall appoint a Development Appeals Board in accordance with the provision of Section 91 of the Planning and Development Act, 1983.
2. Appeals in writing may be made to the Development Appeals Board by any person who:
 - a) alleges that the Council or any person acting for or on behalf of the Council has misapplied the bylaw in a particular case; or
 - b) claims that there are practical difficulties or unnecessary hardships in the way of carrying out the bylaw by reason of the exceptional narrowness, shortness, shape, topographic features or other unspecified unusual condition of a specified property.
3. A person who appeals under Clause b) of Sub-section 2 shall not be entitled to have his appeal allowed if:
 - a) the unusual condition is the result of his or the property owner's own action;
 - b) the adjustment requested would constitute a special privilege inconsistent with the restrictions on the neighboring properties in the same district; or
 - c) a relaxation of the provisions of the bylaw would be contrary to its purposes and intent and would injuriously affect the neighboring properties.
4. In making an appeal to the Development Appeals Board, the provisions of Section 96 of the Planning and Development Act, 1983, shall apply.
